

▶▶▶ The Prowler 13 is a smaller version of our popular 15' Prowler. This boat packs in more features than most of the sit-on-tops on the market. Seat back, deck rigging, paddle keepers, an oversized tank well and roomy cockpit make this sit-on-top a favorite amongst paddlers and anglers alike. This boat tracks well yet it can easily maneuver through tight spots. You've been waiting a long time for a kayak like this!
